To Whom It May Concern:

I am writing this reference at the request of Sandra Froonjian. I have had the pleasure of working with Sandra for seven years while she served as an employee for the White Meadow Lake POA.

I first met Sandra when she was lifeguard. It did not take me long to realize that Sandra was a natural born leader. The following summer I promoted Sandra to head lifeguard, and then on to my assistant manager. Sandra is exceptionally responsible and volunteers to help out with any task, from the mundane to the challenging. I have rarely met an employee I can rely on as confidently as Sandra. She has never missed a day of work, and regularly volunteers to help out with any task, even if it is beyond her expected duties.

From the start, I realized that I could trust Sandra, primarily because of her work ethic and leadership skills. I can rely on Sandra to make sure the pools and beaches run smoothly, and manage the daily operations of the workplace in my absence. I can always count on Sandra to lend a helping hand.

As a teacher myself, I am confident that Sandra's leadership role at White Meadow Lake will help her transition into her leadership role as a teacher. I think very highly of Sandra and recommend her without reservations to be an employee of your school district. Please don't hesitate to contact me with any questions you may have. My phone number and email address are listed below.

Sincerely,

Beth Amicucci
